# DONATE TODAY!

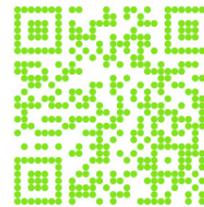

## OUR MISSION

Grounded Café was built on the belief that all people have value. Within everyone are possibilities, given the right opportunities to succeed. Partnering with local agencies, school districts, and volunteers, Grounded Café was born to break down stereotypes and ageism. To shine a light on the strengths and abilities of seniors and persons with disabilities.

Grounded Café is a nonprofit program of ADRC. While we cannot accept tips, we can accept donations. They are used to expand job training for persons with disabilities in the Grounded University program and to sustain ADRC programming.
